Jack of All Trades

I'll mow your lawn, clean the leaves out' your drain
I'll mend your roof, to keep out the rain
I take the work that God provides
I'm a jack of all trades, honey we'll be all right

I'll hammer the nails, I'll set the stone
I'll harvest your crops, when they're ripe and grown
I'll pull that engine apart, and patch'er up 'til she's running right
I'm a jack of all trades, we'll be all right

The hurricane blows, brings the hard rain
When the blue sky breaks
It feels like the world's gonna change
And we'll start caring for each other
Like Jesus said that we might
I'm a jack of all trades, we'll be all right

The banker man grows fat, working man grows thin
It's all happened before and it'll happen again
It'll happen again, yeah they'll bet your life
I'm a jack of all trades, darling we'll be all right

Now sometimes tomorrow comes soaked in treasure and blood
We stood the drought, now we'll stand the flood
There's a new world coming, I can see the light
I'm a jack of all trades, we'll be all right

So you use what you've got and you learn to make do
You take the old, you make it new
If I had me a gun, I'd find the bastards and shoot 'em on sight
I'm a jack of all trades, we'll be all right
I'm a jack of all trades, we'll be all right

We Take Care Of Our Own

I been knocking on the door that holds the throne
I been looking for the map that leads me home
I been stumbling on good hearts turned to stone
The road of good intentions has gone dry as a bone
We take care of our own
We take care of our own
Wherever this flag's flown
We take care of our own

From Chicago to New Orleans
From the muscle to the bone
From the shotgun shack to the Superdome
There ain't no help, the cavalry stayed home

There ain't no one hearing the bugle blowin'
We take care of our own
We take care of our own
Wherever this flag's flown
We take care of our own

Where're the eyes, the eyes with the will to see
Where're the hearts that run over with mercy
Where's the love that has not forsaken me
Where's the work that'll set my hands, my soul free
Where's the spirit that'll reign over me
Where's the promise from sea to shining sea
Where's the promise from sea to shining sea
Wherever this flag is flown
Wherever this flag is flown
Wherever this flag is flown

We take care of our own
We take care of our own
Wherever this flag's flown
We take care of our own

We take care of our own
We take care of our own
Wherever this flag's flown
We take care of our own

Rocky Ground

We've been traveling over rocky ground, rocky ground
We've been traveling over rocky ground, rocky ground
We've been traveling over rocky ground, rocky ground
We've been traveling over rocky ground, rocky ground

Rise up shepherd, rise up
Your flock has roamed far from the hill
The stars have faded, the sky is still
The angels are shouting "Glory hallelujah"

We've been traveling over rocky ground, rocky ground
We've been traveling over rocky ground, rocky ground

Forty days and nights of rain washed this land
Jesus said the money changers, in this temple will not stand
Find your flock, get them to higher ground
The floodwater's rising, we're Canaan bound

We've been traveling over rocky ground, rocky ground
We've been traveling over rocky ground, rocky ground

Tend to your flock or they will stray
We'll be called for our service come judgment day
Before we cross that river wide
The blood on our hands will come back on us twice

Rise up shepherd, rise up
Your flock has roamed far from the hill
The stars have faded, the sky is still
Sun’s in the heavens and a new day is rising

You use your muscle and your mind and you pray your best
That your best is good enough, the Lord will do the rest
You raise your children and you teach them to walk straight and sure
You pray that hard times, hard times come no more
You try to sleep you toss and turn the bottom’s dropping out
Where you once had faith now there’s only doubt
You pray for guidance only silence now meets your prayers
The morning breaks, you awake, but no one’s there

There’s a new day coming
A new day’s coming
A new day’s coming

We’ve been traveling over rocky ground, rocky ground
We’ve been traveling over rocky ground, rocky ground
