

VERITAS

Feb. 23-25 is the largest United Methodist youth gathering in the state! Veritas is a worship focused weekend where about 1,000 students and leaders from all over Arkansas come here to Rogers to fellowship, worship, hear teaching, and connect! Because of the event being on our "home turf" we use Veritas as an opportunity for a weekend lock-in and to host one of our partner churches in our building. This is a great and easy mid-semester worship event!

FUNDRAISING

In order to help students be able to go on missions we do a few fundraisers in the Spring semester. SuperBowl Subs is our annual sandwich fundraiser in early February. And later on we do a supper fundraiser for youth groups attending Veritas. If you'd like to help sponsor a student for missions, help with start-up / supply cost, or work an event and join the fun; please contact B.

Mississippi Mission

2018 will mark our fourth mission trip to Palmer Home for Children. Palmer Home is a private, christian organization that provides a solid, Christ-Centered, long term home for children without adequate family structure. Located in Columbus, MS PH has been caring for children for over 100 years.

March 18-24 we will be coming alongside them and doing maintenance and repair projects. This work will allow the full-time staff and houseparents at PH to spend more time investing with these children in desperate need of Christ's love. Cost is \$280 before fundraising and students going are ask to participate in at least 50% of Student Ministries activities prior to the trip. Spots are limited and filling!

Habakuk 2:3 "For the vision is yet for the appointed time; It hastens toward the goal and it will not fail. If it seems slow in coming, wait patiently, for it will surely take place. It will not be delayed."

Student Ministries

New Start. New Studies. New Students. New Year.

For Spring 2018, Student Ministries is making all things new. From our Bible Overview Sunday nights, to our new Confirmation class, to a new high school girls small group, and some great connecting activities - it seems like we've got a lot to do! We're excited to continue the journey of faith with our students; and we hope your families will join us and make Student Ministries a central part of your new year!

Direction: a Genesis through Revelation overview of the Bible

Sometimes we know exactly where we are going in life and other times we end up off the map. Much like life, scripture can seem like this huge map that seems too much to get through.

But this semester we are taking the challenge and doing a Bible overview. Each lesson is a stand alone era of time in man's relationship with God that each seamlessly tie together. So that when we step back we see the whole picture of God's love for us and our salvation through Christ and Christ

alone. While this might seem like a lot to do in one semester; it's a general overview, a big picture look at 1000s of years of our story. And by having this teaching and equipping we can then go back and begin to dive deeper, study scripture more confidently, and become lifelong students of the Word.

Psalm 119:105 Your word is a lamp to my feet and a light to my path.

CONFIRMATION

Spring semester at FUMC Rogers means it's CONFIRMATION TIME! Confirmation is a 4 month Sunday morning class designed for Middle Schoolers to give them the start to a deep, life changing relationship with Jesus.

This is a time for thinking deep, learning new things, and stepping into your own. Besides weekly class, Confirmation has a ton of social events, service projects, guest speakers, and team building activities.

Confirmation starts January 7 with a parents and students information breakfast and ends April 15 on Confirmation Sunday where students will take membership vows and join the church. We will have a very special guest in worship that morning. Arkansas Bishop Gary Mueller will be preaching and presiding over the Confirmation Service.
